REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

After further consideration, the PTO has reinstated the rejection under Obviousness-Type Double Patenting over claims 1-21 of U.S. Patent No. 6,700,016 (conflicting patent), and in particular, in view of the temperature range recited by the claims of the conflicting patent and the claims of the instant application. Without acquiescing in the rejection, but solely to expedite allowance of the instant application, Mr. Treanor has agreed to file a Terminal Disclaimer, thus obviating the rejection

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
